Supporting St. Mary's Hospital One Brick at a Time

The Friends of St. Mary's is a special group of individuals, businesses and corporations helping to ensure the continuation of quality health care at St. Mary's Hospital. This is accomplished through their financial support of equipment purchases, facility improvements and other needed programs. The community's support of Friends' fund-raising efforts is essential in helping St. Mary's continue its healing mission.

The Commemorative Brick Program gives you the opportunity to support the Friends of St. Mary's Hospital while enjoying permanent recognition of your commitment to bringing the best healthcare to the community. This fundraising project is a perfect opportunity to send a message of hope to loved ones and to acknowledge a special occasion while showing your support of St. Mary's Hospital.

Your brick may be inscribed with an individual, family, or business name. You may instead choose to mark an important event such as a wedding or birth. You may prefer to place a brick in memory of a loved one who has passed on. You may even wish to simply contribute a favorite saying. Regardless of the content chosen, you will have the satisfaction of knowing you have made a valuable contribution.

The bricks will be prominently displayed in the newly remodeled front entrances. It will be a testimony of your commitment to support St. Mary's in its efforts to bring the light of hope to the communities we serve.

These attractive bricks are made of granite. You may choose two sizes. The 4" x 8" brick is \$50 and the 8" x 12" brick is \$200.
